

MINT COOLER

Makes: 2-1/2 gallons (40 - 1 cup servings)

1 - 10 oz. (1/2 pt.) jar Kitchen Kettle Mint Jelly

1 gallon lemonade

2 - 46 oz. cans unsweetened pineapple juice

3 liters ginger ale

Fresh mint sprigs and lemon slices

Following directions of your favorite lemonade mix, make 1 gallon in large container. Melt Mint Jelly in the microwave and add to lemonade. Stir

Add pineapple juice and ginger ale when ready to serve. Add ice.

Optional: garnish each serving with 1 mint sprig & lemon slice.
